

**Privacy Statement**  
**(retaining applications)**

We are sorry to inform you that we have not chosen you for the job you applied, but we would like to keep your application material for two years so that we can contact you in the future and we will be able to evaluate your material for future applications. If you do not agree to retain your material, please send an email to [job.hungary@organicawater.com](mailto:job.hungary@organicawater.com) or you may request deletion of your material any time during the two year period. Please note that data processing is otherwise subject to the provisions of the privacy notice that you have already received. If any change occurs in your data (availability, job, qualification, language, etc.), please send us an email to [job.hungary@organicawater.com](mailto:job.hungary@organicawater.com).
